The University of Wollongong's Official Co-Curricular Record provides an overview of transformative activities that a student has engaged with outside of their academic experience. The students' involvement in these activities have been verified by University staff and endorsed as extending the students learning or providing service to the University and the community.

YEAR	ACTIVITY-POSITION	LEVEL OF ENGAGEMENT	SKILLS DEVELOPED
2024	EIS Student Mentor Program Mentor  The student mentor program is designed to improve the student experience of students in the Faculty of Engineering and Information Sciences (EIS). In this role, the Student Mentors connect with EIS students to check in, provide advice and be a pillar of support.	21 Hours Highly engaged	<ul style="list-style-type: none"><li>- Communication</li><li>- Community Engagement</li><li>- Interpersonal</li><li>- Leadership</li><li>- Mentoring</li></ul>
2024	Jobs On Campus  The Jobs on Campus program aims to make students job ready professionals and connect them with employment opportunities on campus. The program consists of interactive workshops and online modules that develop students' job application skills, workplace expectations, and employability skills. Students engage in these activities alongside developing a high-quality resume and completing interview practice, preparing them for searching and applying for jobs.	Completed Program Engaged	<ul style="list-style-type: none"><li>- Career Development</li><li>- Communication</li><li>- Employability</li><li>- Interpersonal</li><li>- Interviewing</li><li>- Job Application</li></ul>
2024 2023 2022	Pulse Volunteer  Pulse Volunteers facilitate and assist in the running of UOW Pulse events. Students engage and assist with a variety of workshops and activities relevant to their personal interests and their academic degree to enhance their experience. Students build a sense of community and connect with people they wouldn't typically engage with.	274 Hours Highly engaged	<ul style="list-style-type: none"><li>- Communication</li><li>- Cross-Cultural Communication</li><li>- Event Management</li><li>- Stakeholder Management</li><li>- Time Management</li></ul>

**KEY**

Where relevant the record will include the total number of hours or average attendance. To provide context, the program staff have also provided a rating of the students' engagement.

Highly engaged - An exceptional student who has gone above and beyond in their contribution to the program

Engaged - A student who has actively met the requirements of the program
